## **Electoral Literacy Club**

An Electoral Literacy Club is a platform to engage College students through interesting activities and hands-on experience to sensitise them on their electoral rights and familiarise them with the electoral process of registration and voting. ELCs are present in colleges, urban and rural communities.

At ELCs, learning meets fun. Activities are designed to stimulate and motivate students provoking them to think and ask questions. Through ELC, Election Commission of India, aims at strengthening the culture of electoral participation among young and future voters.

### **VISION:**

To make its utmost contribution to have an active democratic citizenry originating in integrated civic and voter education and electoral participation right from a young age.

- ✓ To help the target audience understand the value of their vote to ensure that they exercise their suffrage right in a confident, comfortable and ethical manner.
- ✓ To harness the potential of ELC members for carrying the electoral literacy in communities.
