INTERACTIVE WORKSHOP
ON

“HEALTH, WELLNESS, ILLNESS AND CANCERS”

Date: 04/02/2019

Day: Monday

Venue: Sharadha sabhangana

Programme: In view of “WORLD CANCER DAY”.

Chief guest: Prof. (Dr.) Narasimhaiah Srinivasaiah MBBS, MD, MRCS, FRCS, FEBS Associate
Prof. of Surgery, Apollo Hospital

BENEFICIARIES: 150 students and 10 lecturers from various Departments of the College.

OBJECTIVES:

- To create awareness among students, know about the treatments, prevention, research about the cancer and coping up with the disease.
- To encourage and support the cancer affected patients so that they live their life energetically. By supporting and standing by them we can bring courage in them to fight back the disease.

REPORT: The Department of Zoology has conducted guest lecture on Cancer Biology in view of World Cancer day. As cancer is the dreadful disease in which abnormal cells divide uncontrollably and destroy the body tissue by invading them. Department of zoology took up a step to educate and create an awareness among students.

Sir has highlighted Health, Wellness, Illness related to cancers in the presence Prof. Raju Katti PU Principal, the welcome speech by Dr. Tejaswini. V. Nandi, HOD of the Zoology Department.

Doctor explained about different types of cancers and their causes, prevention. Created awareness about symptoms of different types of cancers and incidents of cancers in both rural and urban areas and also explained about different types of treatments of cancers to different age groups, stressed about finance assistance for poor people from Government bodies.

His statements are Cancer is a major health care issue and prevention is the key for success. “Education is the investment for future, Health education is the key to healthy future”.

It was very much helpful to the students as a part of the curriculum for B. Sc IV Sem. Students and faculties of different streams. Students and faculties were very much interacted with the speaker.

OUTCOME: The guest lecture was aimed to update the knowledge on the recent advancement on health and wellness among the students, It was highlighted that health care is rapidly changing and it is necessary to update the existing knowledge, relevant to health, wellness and cancer. They were also encouraged to take up research on the topics discussed in the guest lecture.

Welcome speech by HoD Smt. Tejaswini V Nandi
