There was an awesome participation by Final Year M.com Students which reflected the interest in Industrial visit.

Karnataka Silk Industries Corporation limited – KSICL Mysore

The silk weaving factory in Mysore, presently owned by KSIC, was established in the year 1912 by Sri Nalvadi Krishnaraja Wodeyar, Maharaja of Mysore province. Initially the silk fabrics were manufactured & supplied to meet the requirements of the royal family and ornamental fabrics to their armed forces. KSIC is the only organization in the country commanding the entire gamut of silk production right from reeling of cocoons to the weaving of pure silk fabric of various shades and designs, all under one roof. KSIC uses only high quality pure natural silk and 100% pure gold zari.

Having gained widespread popularity for its unmatched standard of authentic Silk manufacturing process, KSIC has obtained Geographical Indication Registration (GI -11) for 'Mysore Silk' in accordance with the provisions of the Geographical Indication of Goods (Registration and Protection Act) 1999 passed by the Indian Parliament. As per this registration, KSIC has become the sole proprietor for 'Mysore Silk'.

Students reached Mysore at 10.30 AM and visited KSICL entrance at 11.00 AM along with the Faculty & guide. The Industry guide took the students to all the departments starting from raw materials stores to till the finished stock that is dispatched to the show room.

Students visited the Display showroom in the factory site & checked the prices of different finished stock.

Students received the realistic end to end knowledge of silk industry and also got the practical idea to focus on skills & Entrepreneurship in Silk industry.
