Induction for the Academic Year 2021-22

Report on IQAC Initiated Induction program highlights about certificate courses, guest lectures and other competitive examinations. Student's areas of interest are also collected.

Objectives:

- To facilitate the students to feel comfortable in the new atmosphere and adjust to the customs and practices of the college.
- To enable the students to become well-known with the amenities and accessing the intellectual and physical resources of our institutions.
- The main intend of the programme is to implant the ideas, practices and strength of the college and its unique features.
- To enable the students to understand and have better rapport with the faculty members for setting the pace of fruitful teaching learning experiences.

Summary:

- The purpose of induction is to cultivate in each and every individual student a responsible for their own betterment and capable of sustaining society and nature, besides enabling them to secure a position to earn their livelihood. The incoming students are often influenced by their parents and society to join higher study without understanding their own interests and talents. There is high probability that students fail to develop an understanding about the goals of Educational Institutes as well as higher education.
- Induction Programme should be designed for the new students to help them feel comfortable, draw their attention towards exploring their academic interests and activities, and making them work for excellence, promote bonding within them, build new horizons of life and leading to character building.
- Mentoring based on universal human values such as truth, moral conduct, non-violence and peace are main aspect of the induction and help in developing self

- Students' attention need to be drawn to society and nature. Help them reflect on their relationship with their families and which is extended to college as a family, connects students among themselves and with teachers, so that they can share any difficulty they might be facing and seek help.

Out Comes:

- Induction Programme for the student is the learning to get acquainted with the semester pattern in autonomy.
- It facilitates interaction between teachers and students before the commencement of the regular classes. This interaction & planning helps in effective learning.
- Physical Health and related activities for the students was conducted to make the student aware about fitness and exercise benefits.
- Student Induction Programme for the student is the new learning to get acquainted real meaning of Success, how to tackle unplanned situations and tragedies of life and the implementation of Intrinsic Approach and Extrinsic Approach to achieve the destination
- Motivation & Universal Human Values was emphasized on the correct mindset, truth, honesty, loyalty, peace, live together in harmony and human relations.
- The Activities such as universally applicable, value education & Professional Ethics, Literary. Debate/Public speaking, Creative Arts helped to improve the mental attitude, confidence, coordination & rapport among the students.
