Induction for the Academic Year 2022-23

Report on Induction program highlights about certificate courses, guest lectures and other competitive examinations. Student's areas of interest are also collected.

Objectives:

- To facilitate the students to feel comfortable in the new atmosphere and adjust to the customs and practices of the college.
- To enable the students to become well-known with the amenities and accessing the intellectual and physical resources of our institutions.
- The main intend of the programme is to implant the ideas, practices and strength of the college and its unique features.
- To enable the students to understand and have better rapport with the faculty members for setting the pace of fruitful teaching learning experiences.

Summary:

- The purpose of induction is to cultivate in each and every individual student a responsible for their own betterment and capable of sustaining society and nature, besides enabling them to secure a position to earn their livelihood. The incoming students are often influenced by their parents and society to join higher study without understanding their own interests and talents. There is high probability that students fail to develop an understanding about the goals of Educational Institutes as well as higher education. The student must have knowledge and meta-skills related to their work.
- Induction Programme should be designed for the new students to help them feel comfortable, draw their attention towards exploring their academic interests and activities, and making them work for excellence, promote bonding within them, build new horizons of life and leading to character building.

- Mentoring based on universal human values such as truth, moral conduct, non-violence and peace are main aspect of the induction, and help in developing self awareness and sensitivity, feeling of equality, compassion and oneness.
- Students' attention need to be drawn to society and nature. Help them reflect on their relationship with their families and which is extended to college as a family, connects students among themselves and with teachers, so that they can share any difficulty they might be facing and seek help.
