

Minority Cell

2018-19 to 2022-2023

Minority

The minority cell was established with the aim of empowering the minority groups. "Every student has a right to education" is demonstrated by the fact that our institution is eager to meet the cultural and educational needs of the minority population in addition to those of other castes, creeds, and nationalities. The Minority Cell primarily supports minority students' academic growth, including Christian, Muslim, Jain, Buddhist, etc.

Objectives

- To increase minorities' access to equal educational opportunities
- To make it easier for government organizations and other sources to provide financial aid to students from minority communities
- To inform minority students about the various state government and UGC scholarship programs
- To take the necessary follow-up actions to achieve the goals and deadlines established by the UGC and the Government of India.
- To make sure of other provisions for a setting where all of these students feel safe and comfortable
- To encourage individuals to engage in career orientation programs that would empower and provide them with the skills needed to make a career decision
- To offer quick therapy for any emotional emergencies resulting from any campus occurrence
- To uphold the constitution's guarantees of protection and reservation

The Nature of Activities of the Cell

- To collect reports and information of State Government and UGC orders on various aspects of education and employment of minority students
- To circulate State Government and UGC decisions about different scholarship programs
- To communicate and motivate students for better future planning
- The Cell is committed to provide assistance to minority students through counseling, personality development, communication skills and preparatory classes for professional and employment purposes
- The Cell is actively engaged in coaching students to ensure the quantitative and qualitative education

Report:2022-23

The Meetings were conducted twice in a year with committee members and chairman for successful implementation of Schemes and activity. 13 students are enrolled under minority scheme in NSP for the academic year 2022-23.

Minority cell helped the students to register under portal and guided them to upload all the necessary information and documents. Sanction of scholarship is awaiting. These Minority students were guided to enhance equal opportunities for education of minorities.

In the Agenda discussed in one of the meetings the basic objectives of this scheme is to improve personality as well as communication skill to compete in practical fields. Hence, in the orientation programs students are guided to take up the skill oriented certificate course and training. Mentors guide about career an preplacement training which is organized by Placement Cell.
