Innovation and Entrepreneurship Cell (I & E Cell)

KLE's S. Nijalingappa College has established an Innovation & Entrepreneurship (I&E) Cell within each department. The goal of the I&E cell is to foster an environment for student entrepreneurs that encompasses ethics, morals, values, funding, start-up support, mentoring, emotional intelligence development, academic guidance, hands-on experience, social awareness, and environmental impact.

- Workshop on design thinking for students from all departments.
- Workshop on drafting and filing patents.
- Entrepreneurship workshops for students.
- Students participating in conferences, seminars, symposia and workshops and more.
- Guiding students to participate in innovative projects and improve their entrepreneurial skills.
- Offering motivation and guidance to students to become the future innovators and entrepreneurs.
