INTERNAL QUALITY ASSURANCE CELL

ACTION TAKEN REPORT 2023-24

The feedback analysis revealed that the following issues need to be addressed. They were brought to notice of Principal and management and necessary actions were taken accordingly

Sl.No	Stakeholder	Statement	Action taken
1.	Student	Depth of the syllabus is sufficient to gain knowledge	The teachers were encouraged to use many e contents and reference books and prepare study materials and provide the same to students
2.	Student	Relevance of syllabus with respect to current job requirement	The students are encouraged to take part in certificate courses conducted by departments and thereby they are imparted with additional knowledge to equip themselves with current job market
3.	Teachers	The Curriculum has scope for experiential learning	The curriculum promotes experiential learning which is further strengthened by arranging industrial visits, study tours and field visits in addition to those in curriculum
4.	Alumni	Course fulfilling the expectations of job market	The students are encouraged to take part in certificate courses and internships conducted by departments and thereby they are imparted with additional knowledge to equip themselves with current job market
5.	Employer	Syllabus has scope for learning topics in addition to the curriculum	The students were encouraged to give inhouse seminars on the topics and motivated to use power point presentation especially on those topics which forms extended version of the syllabus
