Sub: Reg Feedback analysis about curriculum

With respect to subject cited above we bring to your kind notice that we conducted feedback analysis regarding curriculum among four different stakeholders such as Students, Teachers, Alumni and employers This academic year 2023-24 by distributing relevant feedback forms for filling and distributing and collecting them. Further they were analyzed and following observations came to light

2. Relevance of syllabus to current job requirement is to be further strengthened
3. More emphasis on experiential learning
4. Encouragement to learn additional topics to curriculum

Kindly take necessary action to address the above issues

Thanking you with warm regards
